

# Analysis of Study Needs

Directions: Review the 7 competency domains, content and number of questions (available at <http://www.uspra.org/certification/taking/study.html>) from the following perspectives:

- Based on my PSR practitioner experience and PSR education/training how would I rank my overall knowledge and skills for each domain?
- Rank the domains by assigning a 1 (highest mastery) through 8 (lowest mastery)
- Then note the % weight for each domain

Domain	My Rank	% of Exam	# of items	# of Tasks	My Study Plan
